

Scholarship Fund

We have so many families enjoying Music Together with their children this and every session, but there are also so many more who just cannot afford the full tuition for a number of reasons. To try and meet the needs of at least some of these families, we are starting a scholarship fund. Please consider donating at least a few dollars to this fund so that our friends in need can also enjoy making music together!

If you would like to apply for a full or partial scholarship, please answer the following questions and submit them via email or US mail (19 Speak Way, Harwich, MA 02645). Scholarships will be awarded as funds are available. In order to give as many families as possible the opportunity to participate in Meryl's Music and Arts Centers' Music Together classes, full or partial scholarships will be awarded at the director's discretion.

If you have questions regarding scholarships, or would care to contribute to this fund, please do not hesitate to contact the Director, Meryl Vujs, via the "contact us" link on this site or by calling: 508-432-5240.

1) Why would you like to take this class with your child(ren)? *Please include the number of children you are applying for and their birthdates.
